

Simley Players and Coaches Participate in Rockford Team Camp

The Simley Football program will forever be grateful to the Rockford Rams for their hospitality. From July 13 – 15, 8 Spartan players and two coaches attended the team camp for Rockford High School in Michigan. **The Rams were big school State Champions in 2004, 2006, and 2008.** Head coach Ralph Munger, the staff, and the players were unbelievably welcoming & hospitable. The Spartans practiced as part of the Rams and ran through all drills including team sessions. What a great opportunity for our players to experience what it is like to be part of one of the best programs in the Midwest! “Our players learned both the intensity and mind-set in such a program while also finding out that they have the ability to compete at that level. The Rockford people commented on how our players are great young men and I’m extremely proud of both how they carried themselves as well as how well they competed in such a challenging situation!”
